Beano's Ballpark: Terms & Conditions

- Whilst every reasonable precaution is taken to ensure the safety of you & your dogs, we cannot be held responsible for any injury to people or dogs, however caused.
- Whilst the field is completely fenced, we cannot ensure absolute security for every dog. We advise that you visit in advance to assess suitability for your dog.
- Please report any accident, incident or damage immediately
- As Beano's is used by a lot of dogs, please do not bring bitches in season, dogs who have a cough, appear unwell, have sickness or diarrhoea, have any infectious diseases, any undiagnosed medical conditions, or have been in contact with an infected animal, to the site, until they have fully recovered. We also expect responsible dog ownership; ie: that your dogs are vaccinated, wormed & kept free from fleas.
- Please clean up after your dog, (even if you have to pull out the surrounding grass!) & dispose of all dog waste & anything that could be harmful to another dog, off-site. (eg: broken or chewed dog toys, litter, uneaten treats, chewing gum & cigarette butts). We are proud of the cleanliness of the dog fields & check them regularly at different times of the day. If we believe that you have left poo behind, we will talk to you about it, but if this continues, you will not be invited to return. If in doubt, please leave time at the end of your session to check the field before you go.
- Please do not leave dogs tethered or unattended. All dogs to remain on leads until in the enclosed exercise field.
- We cannot accept the use of any harsh or aversive equipment or handling with your dog
- Please pay all fees due, in cash, prior to using the field. If we have had wet weather & the gate is closed, please drive on long grass & park outside the dog exercise field, rather than driving in.
- Please arrive on time & leave promptly at the end of the session. Please do not enter the lane until 5 minutes before your session is due to start, in order to avoid field users meeting in the lane.
- Cancellations are accepted up to 24 hours in advance. Otherwise, the full fee is payable.
- We are General Data Protection Regulation (GDPR) compliant, which means that you have a right to know what data we hold about you, why & how it is used:

This form completed by you, gives you choice as to what information you provide & includes details about you: name & address, (for insurance reasons), contact details, (telephone number/s &/or email address specifically for field or training booking purposes) & about your dog: name, age or date of birth, health &/or behaviour issues & vet details, (for health & safety reasons). These forms are paper - only records, safely stored & are not shared to any third party, other than our accountant for the purposes of calculating annual accounts each year. They are kept, with our accounts, in a locked filing cabinet for 7 years & then shredded. Bookings are recorded in a diary & first names only are used. We do not store any information on computer, (apart from emails). We post photographs on our website or social media only if we have your express permission, do not use your name & you have the right to ask for any post to be removed at any time.

Please feel free to contact us to discuss any concerns you may have or to request removal of any information we hold.
